DR. RICHARD SELCER
Author, Professor, Tour Guide

Richard Selcer is a Fort Worth native who has taught and written history for forty years. He received his B.A. and M.A. degrees from Austin College in Sherman, Texas (1972 and 1973) and his Ph.D. from Texas Christian University in Fort Worth (1980). His teaching stops include Jarvis Christian College, Yankton College, Cottey College, Tarrant County College, and International Christian University (Vienna, Austria and Kiev, Ukraine). He currently teaches at Weatherford College in Weatherford, Texas.

He has written ten books in Western and Civil War history, and published more than forty articles in magazines and journals. His two latest books are Written in Blood: The Stories Behind Fort Worth’s Fallen Lawmen (Denton: University of North Texas Press, 2010, 2011), co-authored with Kevin Foster. He has written eight historic markers for Fort Worth sites and is a member of the Tarrant County Historical Commission. He also owns and operates Fort Worth Tours & Trails, a speaking and tour guide business.

Did you know that if you come to just 5 Monthly Meetings, FWDDS Osha Course each January, And the all day CE Course each year, you will have met more than your CE requirements for the year without any travel expense? Plus, it is a good chance to network with your colleagues. So mark your calendars and plan to come!

CHECK THE WEBSITE FOR DETAILS AT FWDDS.ORG
Holiday season and the end of the year are fast approaching. Your board has had a busy summer and fall planning CE and activities for teams and doctors. To finish the year we have great November and December meetings planned. We encourage you to participate so that you can meet your fellow colleagues and have some fun too. Our November meeting will be full of action. Dr. Pat Allen will be speaking, the Alliance will have their annual bake sale, and the Veteran’s award will be given.

Also in November, in honor of veterans and to help them first hand, there will be a TMOM at the VA in Dallas on November 11-12. Dr. Joe Laborde hosted a pre-screening for veterans in his office on October 28 for this event. To sign up go to www.tdasmiles.org. I hope to see you there.

One last thing, our dues letter will be going out soon. Be sure to send in your dues and if you need a payment plan the TDA is there to help you as well. Also, consider donating something to DENPAC as it is our best way to get our voices heard with our elected officials. We have a lot of bills and issues at stake this Legislative session in February 2017. We need your support to keep practicing how we want to practice dentistry. Mark your calendar for February 22, 2017 to go down as a group to meet our political contacts too!

Have a great November!

Amy N. Bender
President FWDDS
October 5, 2016 --Wednesday 10:30 A.M.  FW Botanic Gardens Restaurant
  ❖ We will be honoring our ATDA State President, Beth Voorhees and ATDA Corresponding Secretary, Linda Radwanski, at The Garden's Restaurant at the Botanic Gardens. Not only will Beth bring us news from the ATDA, but we will have Gail Manning, a natural scientist at the FW Botanic Gardens, speak to us on the importance of bees.

November 8, 2016 – Tuesday 6:00 P.M.  Silver Lining--Silent Auction
  ❖ Our annual Alliance Silver Lining Fundraiser—a silent auction of baked goods—will be held at the Fort Worth District Dental Society’s Meeting. Meeting location: The Tarrant County Medical Society Building in Fort Worth.

December 6, 2016 – Tuesday 6:00 P.M.  Holiday Evening with our Spouses
  ❖ We join our FWDDS spouses at Blue Mesa Grill (West Seventh Street location) for fellowship and to celebrate the Holiday Season.

January 11, 2017—Wednesday 10:00 A.M.  The FWDDS Office--Fort Worth
  ❖ AFWDDS Executive Board Meeting.

February 2, 2017—Thursday 9:00 A.M.  ”Wild About Smiles” Kit Assembly
  ❖ The Alliance’s Dental Health Project done in coordination with the Children’s Oral Health Coalition. The AFWDDS handles registration, door prizes and kit distributions at the event held at the Tarrant County Medical Society Building.

February 2, 2017—Thursday 6:30 P.M.  Evening with Spouses & The Astaires
  ❖ The Alliance will meet with our spouses for a fun-filled presentation with Kathleen Cunningham to present a program on the fabulous dancing duo “The Astaires: Fred & Adele.” Location to be announced and post online at afwdds.org.

April 5, 2017 –Wednesday 10:30 A.M.  An Omni Theater Presentation
  ❖ We will meet at the Omni Theater for the latest presentation, then head to the Modern or the Kimball for lunch!

May 10, 2017– Wednesday 10:30 A.M.  AFWDDS Installation of Officers
  ❖ After our meeting, including a report on the ATDA Annual Session in San Antonio, and installing officers, we’ll shop at "Le Fashion Coach." Guests welcome! Location TBA.
DID YOU MISS THE
HAPPY HOUR?
The FWDDS is encouraging all of our members to carpool down to Austin for Legislative Day! Sign up on the website, or give the office a call, to let us know whether you’d like to be a passenger or driver!

"Emergencies in the Dental Office"

A Painless OSHA/HIPAA (HB300) Update
Has your office met the yearly requirement for OSHA/HIPAA (HB300) Training?

Friday, January 20, 2017
8:00am - 12:30pm
Cook Children’s Hospital
Hochberger Auditorium
801 7th Ave.
Fort Worth, TX 76104

Participants will be able to:
• Understand the importance of standard precautions and use of PPE in the dental office.
• Recognize the importance of the CDC’s infection control guidelines and training for the dental health care worker.
• Recognize the role of regulatory and risk management issues in the dentistry.
• Identify strategies that can prevent occupational exposures to blood and body fluids,
  ALL without being put to sleep.

MARK YOUR CALENDAR!

PRESENTER: DALE MARTIN, DDS, MSD, JS
Dr. Martin was born and raised in Fort Worth, Texas. His formative years included Cub and Boy Scouts attaining the rank of Eagle Scout. He majored in Chemistry, attending UT Arlington back when they had a football team. He currently sits on the Board of the very independent UTA Alumni Association. Dr. Martin received his DDS from the University of Texas Dental Branch (Houston) and his pediatric specialty from Baylor College of Dentistry. A detour in life resulted in a law degree from SMU in the mid-90’s. He volunteers with the Tarrant County Children’s Health Coalition and Save-A Smile. His wife Julia is an integral part of the Alliance to the FWDDS. In his spare time he helps keep his son’s Delorean on the road, spending time at the range and supporting Boy Scout Troop 380 in Arlington.

Price is $75.00 a Person
Please make checks payable to: “FWDDS”
and mail to
4528 W. Vickery Blvd., Ste. 101,
Fort Worth, TX 76107

SOLD OUT IN 2016 DO NOT WAIT!

I, Dr. ____________________________ will attend the OSHA/HIPAA Seminar
Enclosed find $75.

*Make check payable to FWDDS and mail to:
4528 W. Vickery Blvd. Ste. 101
Fort Worth, TX 76107
1. We do not have a secure email service and we cannot encrypt emails. We generally do not email patient information. When we do, we typically only send:
   • Appointment reminders to patients
   • Responses to questions emailed by patients
   • Radiographs to another doctor’s office

2. Our emails should generally include only the patient’s name, demographic information (for example, name and address), and/or radiographs.

3. Check the email address for accuracy before sending an email. Where appropriate, send an email for address confirmation prior to emailing PHI (for example, where the email address is handwritten and the handwriting is hard to read).

4. Do not send email to a patient who has asked our dental practice not to email him or her.

5. If a patient emails our dental practice, we can assume that email communications are acceptable to the patient. Even so, if possible, ask the patient to sign our Email Authorization Form before sending an email.

6. Do not email sensitive information such as Social Security numbers, credit and debit card numbers, drivers’ license numbers, mental health information, genetic information, substance abuse/alcoholism, or positive infection status (e.g., HIV) unless the patient insists.

7. Do not email patient information unless the patient has signed our Email Authorization Form. Give the patient a copy of the signed form.

8. If a patient refuses to sign our Email Authorization Form, ask the patient to deliver any sensitive patient information, or send it via some other means, such as U.S. Mail or regular (non-digital) fax.

9. Do not send emails containing information about more than one patient.

10. Always use a .PDF format when sending patient information (except for appointment reminders, radiographs, or demographic information like name and address). This is because PDFs cannot be modified in transit.

11. If someone notifies us that an email appears to have been modified (for example, if a radiograph is unreadable), we will resend the email or provide the information by some other means.

12. IMMEDIATELY report to the Privacy Official if you discover that patient information has been sent to or accessed by anyone other than the patient or intended recipient.

continued on page 9
AUTHORIZATION AND CONSENT

To Send Unencrypted Patient Information by Email and Other Electronic Means

Until I tell you in writing to stop, I authorize <Dental Practice> to transmit patient information relating to my treatment, health, or payment by email or other electronic means, without encryption or special security precautions, to me or someone I designate, or to other health care providers, health plans and others involved in my treatment, payment for my treatment, or <Dental Practice’s> health care operations. The patient information that may be emailed may include my x-rays, health history, diagnosis, treatment, and payment records.

I understand that:

• I do not have to sign this form.
• My treatment, payment, enrollment and eligibility for benefits will not be affected by my decision about signing this form.
• If I don’t sign this form, <Dental Practice> may use other ways to send my information, such as U.S. Mail, or may ask me to send my information to third parties myself.
• There is some risk that emails and other electronic messages may be improperly acquired by hackers or received by unintended recipients. If that happens, the information may be redisclosed and no longer protected by privacy law.
• <Dental Practice> does not email such sensitive personal information as Social Security number, credit card number, mental health diagnosis, genetic information, alcohol/substance abuse, or positive HIV status unless the patient insists.

I can tell you in writing to stop emailing my patient information at any time, but if I do so, this will not affect emails that <Dental Practice> already sent before receiving my written instructions to stop.

Patient name (please print) ________________________

Signature: ________________________________ Date: ________________

Dental Team: Give a copy of this signed form to the patient. Save the original in the patient’s file.
WHY IS FEBRUARY 22nd SUCH AN IMPORTANT DATE FOR TEXAS DENTISTS AND WHAT ARE DENPAC AND CLARA?

“DENPAC, the general purpose action committee of the Texas Dental Association, is a voluntary, non-profit, unincorporated group of dentists whose goal is to influence the nomination or election of state candidates who have demonstrated their concern for the preservation of dentistry as an independent profession, and for the dental health of the people of Texas.

State government plays a vital role in setting guidelines for how you run your practice on a daily basis. From taxation and regulation to scope of practice and licensing, the Texas legislature makes decisions affecting every aspect of the dental profession.”

DENPAC supports lawmakers and candidates for Texas statewide elective office, not issues or legislation.

CLARA, the Texas Dental Association’s Committee for Legislative and Regulatory Affairs, is a standing committee composed of Texas dentists and Alliance members who monitor proposed legislation that affects the scope of dental practice. CLARA reports to the TDA Board of Directors.

As part of this year’s Legislative process, the Sunset Commission has reviewed the actions of the Texas State Board of Dental Examiners (TSBDE). The Commission has made several recommendations with the intent of improving the effectiveness of the Board. Those recommendations will go to the Legislature where they will be debated in both Houses. Some compromises may be made but the State Board of Dental Examiners and their duties will be changed.

With news headlines of infant deaths at dental offices, Legislators will address this matter during the upcoming 2017 Session. Any unfortunate outcome at the dental office is a tragedy. Every life is precious and we all strive to provide the best care to our patients. But the media outlets know dental tragedies makes good headlines which leads to increased viewership which then leads to increased advertising rates. Dentists can be easy targets for the media.

Some of the proposed recommendations include an increase in staff training on emergency protocol, written duties and plans for emergencies, and regular inspection of sedation equipment. The TSBDE may be allowed to make unannounced office inspections.

The Texas House of Representatives
to verify such training and that resuscitation equipment is properly functioning and tested.

SO WHAT DOES THIS MEAN TO TEXAS DENTISTS?

Organized dentistry, through DENPAC and CLARA, is working with state legislators and the TSBDE to develop rules and regulations that protect the patient and that are not an unnecessary burden to the practicing dentist. All of us want the best care to our patients.

As dentists, we need to educate our Legislators what is the best approach to improving patient safety. Other dental stakeholders, such as the insurance industry and mid-level provider organizations, will provide input to elected officials on ways they feel best serve the public. Their views are not always congruent with the viewpoints of practicing dentists.

Talk to your Representatives and their offices about your concerns with patient care. Speak to your TDA Board members and House of Delegates, learn the political process, invest in Denpacz, and go to TDA Legislative Day.

February 22, 2017 is the TDA Legislative Day in Austin. The morning session includes updates from TDA lobbyists and staff about dental legislation.

Usually, a prominent state official, such as the Speaker of the House, delivers a message about the many issues that Texas and the Legislature will be facing. As citizens, we need to know this information.

Afternoon breakout sessions allow dentists to visit their local Representatives and discuss matters. Texas leaders look to their constituents for guidance on proposed legislation. With active participation during Legislative Day and with careful follow up communication, Texas dentists can help guide lawmaking that protects both our patients and our profession.

As 2016 ends and 2017 approaches, please set your calendars to visit Austin on February 22. Also please consider a donation to DENPAC. In the 2015 Legislative Session, DENPAC and organized dentistry were instrumental in eliminating the “executive tax’ that dentists paid with license renewal. Consider using some of the savings to support DENPAC and preserve your profession. It is an investment well spent.

MJG

Staffing Solutions for Dental Practices

As a business owner, staffing needs can create a tremendous amount of stress. People move away, take maternity leave or medical leave, change jobs, call in sick, & take vacations; all of which can cause your entire team to be overwhelmed and the care of your patients to be compromised.

Allow us to eliminate that stress by assisting you with all of your temporary & permanent staffing needs so that your team can still function effectively, your patients still get the same consistent, excellent care they deserve, and you can focus on what you do best...... dentistry!

Dental Directions is the only dental placement service in Tarrant County to take responsibility for paying your temporary employees.

Let us maintain all of the employment records, handle any TWC issues, send W-2 forms at the end of the year, and file payroll reports; including New Hire reports for the Attorney General’s Office.

You no longer have to worry about possible TWC & IRS audits!
